

# FLOOR CAP ELEVATOR

## FOR MY 2000 & SERIES 5000

Massilly   
North America Inc.

The Massilly Floor Cap Elevator provides superior performance and durability, adding a valuable component to any production line.

The Floor Cap Elevator features:

- **Flexible:** quick set up and change over; adapts to individual production requirements
- **Reliable:** durable stainless steel construction; easily accessible for cleaning and maintenance
- **Safe:** built-in safety features that prevent injuries
- High speed operation that enhances your on-time production demands

Note: The floor cap elevator is supplied with the MY 2000 and Series 5000 sealing machines. See specifications on back.

Massilly North America Inc. provides quality sealing equipment and metal twist closures to the food and beverage industry and a variety of other glass packaging manufacturers throughout Canada, the USA, Mexico and South America. Massilly North America Inc. is a member of The Massilly Group, a leading global supplier of closures, food cans, decorative tins, and aerosol cans.
