

# MY 1000

## VACUUM STEAM SEALING MACHINE

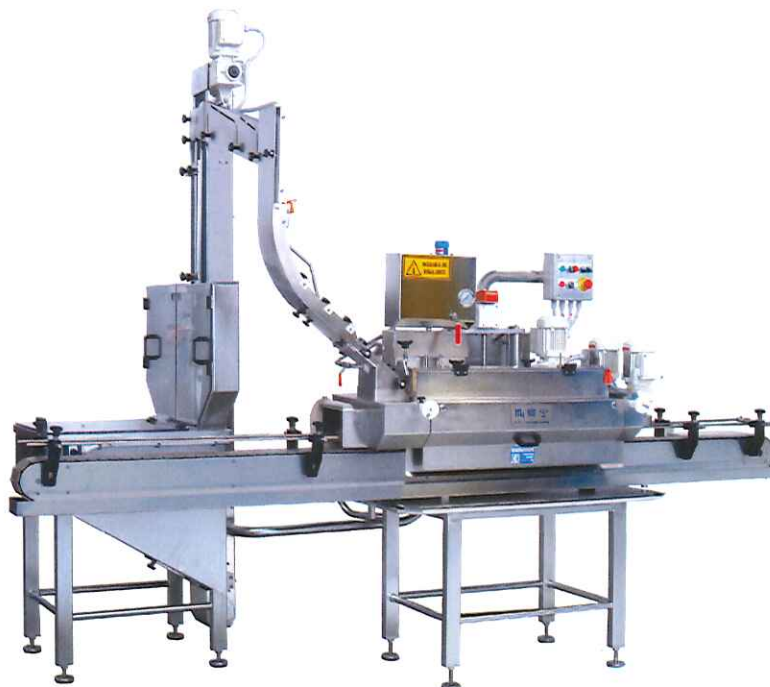

Massilly capping machines provide superior performance and durability, adding a valuable component to any production line.

The MY 1000 features:

- **Flexible:** quick set up and change over; adapts to individual production requirements
- **Reliable:** durable stainless steel construction; easily accessible for cleaning and maintenance
- **Safe:** built-in safety features that prevent injuries
- Compact footprint for smaller production areas
- Excellent vacuum and sealing performance

Note: MY 1000 is supplied with a floor cap elevator.  
See specifications on back.
